

MSM

Security Services, LLC

MSM Security Services is currently seeking Contract Investigators to conduct federal background investigations, EEO investigations and financial fraud investigations.

Applicants will qualify with a minimum of three years of previous investigative experience at the federal, state or local government level. Intermediate typing and computer skills are required and U.S. citizenship. Parties interested in EEO investigations, should be EEO certified within the last year. Must have excellent writing and communication skills and have the ability to deal with various types of individuals. Occasional travel may be required.

A Bachelors degree and TS clearance preferred. Resumes and certifications can be sent to jobs@msmsecurity.com. For questions regarding the above positions, contact Rochelle Woolcock, Recruiting Manager at 1-800-284-9450, ext. 6712
