

### **Fraud Investigator – Nationwide positions**

USIS is the established leader in National Security and Public Trust investigations. As the fastest growing company in the personnel security market, we represent high-profile clients ranging from private corporations to government agencies.

Our Investigative Services Division is the nation's leader in background screening services. We provide Federal, state and local government agencies and major corporations with thorough results, often in situations where timing is critical.

### **Position Description**

As a Fraud Investigator, you will be in a position of trust, a role that requires integrity, confidentiality, intensity, commitment and pride in your country's security.

We are currently accepting resumes from current or retired federal law enforcement officers with strong financial investigative experience for investigative analyst positions nationwide.

Duties will include reviewing evidence, reviewing complaints of fraud, and preparing case files for trials.

### **Qualifications**

- Superior organizational and time management skills
- Advanced communication in both oral and writing skills
- Strong computer and typing skills for writing narrative reports of investigation
- Bachelor's degree or 36 months comparable work/military experience

Due to the nature of this position, all applicants are required to possess US Citizenship and if selected for employment must pass a pre-employment drug test and a comprehensive background investigation that includes civil, criminal, and credit checks.

**Please visit the following website to apply – NOTE – posting is listed under Washington, DC but positions will be available *Nationwide*.**
