

I am looking for 40 people with prior audit experience, preferably financial and/or contract, who would be able to perform audits lasting 4 to 6 weeks. These positions are part-time on a contract basis with pay ranging from \$40 to \$60 per hour, plus expenses.

If interested, please contact Nick Pinto (Dominic) at DJPintocpa@yahoo.com for more information. I have a response date of February 20, however you may still contact me if interested after that date.
