

"I rest my case!"

Chief Counsel/Inspector-in-Charge Lawrence "Larry" Katz has decided to *adjourn* his Postal Service career of over 41 years of service, of which nearly 37 years were spent as a Postal Inspector. He has submitted his final *brief* and will *rest* on March 31st. Larry has *stipulated* he will lay down his Black's Law dictionary and enjoy his well deserved retirement.

Please join us in closing Larry's stellar career as we celebrate this occasion with a retirement party of the same magnitude.
