

Don't forget to Pack Your GPS so You Can Tour Southern California

Explore areas you missed in prior years and revisit your favorite haunts. Here is a list of the most popular places for adults to visit.

| <u>Airports</u> | <u>Airport Code</u> | <u>Distance from Doubletree Hotel</u> |
|-----------------|---------------------|---------------------------------------|
| Los Angeles | LAX | 40 miles |
| Burbank | BUR | 22 miles |
| Ontario | ONT | 29 miles |
| Long Beach | LGB | 31 miles |
| Santa Ana | SNA | 47 miles |
| San Diego | SAN | 128 miles |

Rental Cars are available at the airports and/or near the hotel.

Avis, Budget, Enterprise, Hertz, and Thrifty all appear to have locations near the hotel.

If you plan to rent a car, it would probably be cheaper to pick it up at the airport and use the free parking at the Doubletree and then return to the airport. Weekly rentals are usually the most economical.

If you don't plan to rent a car, there are two current shuttle services from the airports to the Doubletree Hotel. The free hotel shuttle will drive you anywhere within a 10 mile radius.
